## Local Matters.

## Sun and Tide Table.

Sun rises tomorrow at 7:16 and sets at 5:06. High water at 5:32 a. m. and 5:49 p. m.

## Weather Probabilities.

For this section fair tonight with minimum temperature a few degrees below freezing. Tuesday increasing cloudiness with rising temperature; moderate variable winds.

## FRUIT STORE BURNED.

A small frame house used as a store and residence by Manuel Tavares at the extreme western end of King street was partially destroyed by fire shortly after 12 o'clock Saturday night.

The fire was discovered by the crew of the snowplow of the electric railway, and supposing that Tavares was asleep in the building, Superintendent Percy Oliff and his assistants broke in the door of the building. In the meantime, an alarm had been sounded and the fire department responded.

The flames were not extinguished before the building had been nearly destroyed. The building is owned by Mr. Benjamin Baggett and is insured. It is understood that Tavares carried \$400 insurance on his stock and furniture.

Tavares' bedroom was at the rear of the store and it is suggested that it was the intention of an incendiary to cremate him.

Tavares, who is a native of Brazil, has had trouble ever since he occupied the house. He had been conducting a fruit and confectionery business at that place, and during the past month he has been shot at, stoned and an attempt made to waylay and rob him. He was not in the store when the fire broke out, having closed his shop and gone to a lunch house shortly before the fire broke out.

## CIVIC IMPROVEMENT.

Commissioner Macfarland, of the District of Columbia, delivered an address on civic improvement at Lee Camp Hall on Saturday night. Despite the inclemency of the weather the hall was comfortably filled and much interest was shown. The speaker was introduced by Councilman E. S. Leadbeater and a brief address was also made by Mayor Paff, in which he expressed his appreciation of the movement. Mr. Macfarland expressed great pleasure in addressing an Alexandria audience and said he felt quite confident that civic improvement here would succeed with the ladies at its back, and then gave them excellent advice as to their course of procedure. He advised repairs and improvements to property and streets, planting and trimming the trees, planting of flowers, etc., and gave many ideas as to the beautifying of a city. He said if the people, men and women, boys and girls, took an interest in such things, a marked improvement would soon follow. After the address it was announced that a meeting would be held in the rooms of the Alexandria Chamber of Commerce at 8 o'clock tonight, when the organization of a local civic federation will be perfected.

## GEN. LEE'S BIRTHDAY.

Tomorrow will be the 102d anniversary of the birth of General Robert E. Lee and the day is a legal holiday throughout the south. In this city the banks will be closed and the schools will keep short hours; otherwise business will go on without interruption.

As has been the custom for many years R. E. Lee Camp, Confederate Veterans, will hold their annual banquet in honor of the anniversary. The banquet will be held at their camp hall and will be served by the ladies of the Confederate auxiliary societies. As heretofore stated the principal address of the evening will be made by Representative John Sharp Williams, of Mississippi. Mr. John M. Johnson will respond to the toast, "General Lee." Rev. O. D. Bullis, "Stonewall Jackson," and Mr. Henry T. Harrison, of London, "Sons of Veterans." Col. W. A. Smoot, commander of the camp, will preside. A very large attendance is expected.

## THIEVES DROP GIN.

Two men, one tall and the other short in stature, each bearing jugs in their hands, were seen by Benjamin Smith in the northwestern section of the city last night. The two upon seeing Smith, placed the jugs in front of the residence of John Beyer, 732 north Columbus street, and vanished. Beyer later found the jugs and took them into his house and Mr. Peter von de Westerlaken, who had also seen the men and supposed they were about to rob his household telephoned the station house. Officer Roberts, who acted upon the direction of Lieutenant Smith, went to the house and took charge of the jugs, each of which contained five gallons of gin. The liquor was taken to the station house where it is held for the appearance of the owner. It is supposed that the gin was stolen by the two men who deposited it in front of Mr. Beyer's home.

## GREEN FOUND GUILTY.

The jury in the Circuit Court for Alexandria county, Judge J. B. T. Thornton presiding, at 11:50 o'clock Saturday night returned a verdict of guilty of murder in the second degree in the case of Lewis K. Green, colored, charged with the murder of Charles Massey, also colored, and recommended that he be sentenced to eighteen years in the penitentiary. Immediately following the announcement of the verdict Judge Thornton sentenced Green. Green was placed on trial on Thursday. The prisoner was represented by Attorneys Moccure &amp; Tibbs and S. G. Bren. Commonwealth Attorney Randall Mackey conducted the prosecution. The murder of Massey by Green took place in the county during the early part of last November.

The court then adjourned for the term. The annual meeting of the stockholders of the American Realty Company was held in this city Saturday afternoon. J. S. Tomlinson was elected president and J. S. Tomlinson, A. A. Broy, J. T. Dubois, C. Q. Tyler, S. P. Wilder, P. A. Robbins and Thomas Somerville were chosen directors.

At the outbreak of the civil war Mr. Tubman was a member of Kemper's battery. He was later made first sergeant, and served during the four years conflict. At the close of the war he returned to this city and resumed his vocation as a painter, which he continued until a few years ago when he became an employee of the Charles King &amp; Sons' Company. ## WEEK OF FUN.

The management of the Opera House has prepared an elaborate programme of entertainment for this week in vaudeville and motion pictures. It would require too much space to particularize the different stars who will appear here, suffice it to say that this show will eclipse all previous records of this house. Tonight there will be one of the best vaudeville shows ever seen in this city. A fine lot of new and interesting pictures will also be shown. Come out and enjoy yourself. Liddle &amp; Ball, the king and queen of mirth and comedy, will appear; as will also Miss Lila Golding, a sweet voiced soloist.

## ENGINEER KILLED.

Mr. Walter F. Darnell, an engineer on the Manassas Division of the Southern Railway, was run over and killed in the yard at Strasburg on an early hour this morning. The remains were found on the track, and it is supposed the unfortunate man was struck by the yard engine. Mr. Darnell at one time resided in this city, but had recently run the local freight train between Strasburg and Manassas. He was a member of Division 317, Brotherhood of Locomotive Engineers. Mr. Darnell leaves a widow and several children. He was about 39 years old.

The Fighting Hope. On a little hillcock surrounded by his hisses stood the general. All around him the boys in blue were fighting. Fighting for liberty and Old Glory. Slowly the yellow columns of the enemy were advancing on our men. On the brow of the hill, in the face of the general, stood deep furrows of care. He was waiting for reinforcements.
